

# Delaware County Fair

## 165 Years of Family Fun!

### The countdown is over, let the fair begin!

Welcome to the 165th edition of your Delaware County Fair! The new tradition of fun has even more to offer this year. Beginning with 4-H events starting on July 12th and continuing through July 22nd with entertainment on the Midway, rides, and that great fair food. Demolition Derby to Horse and Pony Pulls, Motocross to Mud Bogs, and even a Rodeo! The free stage features many new artists this year, including the Martin Family Circus...a very talented family of singers...and the Cincinnati Circus performing 3 different shows. Check out our website at [DelawareCountyFair.net](http://DelawareCountyFair.net) for the full schedule. On behalf of the hardest working volunteer board around, your Delaware County Fair Board, WELCOME TO YOUR DELAWARE COUNTY FAIR!

2016 Delaware County Fair Queen

*Being crowned Miss Delaware County 2016 was the most wonderful opportunity I have ever had presented to me. I merely entered the competition for the experience but instantly became completely overjoyed and honored to receive the title. I was guided through the experience by the most outstanding personnel of the Delaware County Fair. The experiences I had were unbelievable and I'm so honored I was able to represent the Great Delaware County Fair and meet people from all walks of life!*
